

Friends of the County Library Hold Meeting

Wave 2 Aug 1984

The first organizational meeting of the Friends of the Wasatch County Library was held on Thursday, July 26, at the Wasatch High School. Those present read and approved the constitution and by-laws of the new organization. The agenda included nomination and election of officers for the 1984-85 year. The following people will be assuming their new duties as of this week: Darian Shaw, director; Shonnie Bates, secretary-treasurer; Norma Richardson, publicity coordinator; Kathy Godfrey, committee coordinator; Clara Holmes, volunteer coordinator.

The volunteer training chairman is Vicki Renz, who holds a Master's Degree in Library Science and has taught in local schools. Her purpose is to train volunteers in all phases of library science to assist the library staff as needed.

Also present was Mr. Clyde Muir, supervisor of county libraries, who demonstrated the use of the new automated check-out system which will soon be in use at

the county library. He also explained the responsibility of the

book selection committee and suggested forming a group of interested library patrons who could aid in new book selection in areas of their expertise.

The purpose of the Friends of the Library is to promote the fullest use of our library facilities and to make the community aware of what services are available. Volunteers for various committees

are being sought and anyone interested in participating in this

valuable community service may call Director Darian Shaw at 654-0744 for information.
